## GRADUATE CERTIFICATE IN MATHEMATICAL FINANCE - APPLICATION FORM

Please email this completed form and a copy of most recent transcript to Ana Mastrogiovanni, MSMF Senior Program Coordinator Supervisor: [amastro@math.rutgers.edu](mailto:amastro@math.rutgers.edu). *This form must be completed by the student and the department/program administrator.*

### STUDENT PORTION:

Date: \_\_\_\_\_ Semester: \_\_\_\_\_

Name: \_\_\_\_\_ RUID # \_\_\_\_\_

Program Currently Enrolled in: \_\_\_\_\_ Date Admitted: \_\_\_\_\_

Student Email: \_\_\_\_\_

If you are substituting 2 other courses that are equivalent to Numerical analysis I and II, that will be counted both towards the certificate and your major, please List them below:

1. \_\_\_\_\_

2. \_\_\_\_\_

### By signing below, I understand that the Certificate requirements are as follows:

Students enrolled in a PhD or MS degree program must have **completed their first year with a GPA of 3.0 or higher**, must continue to maintain that GPA, and have **taken the prerequisite Courses** in order to be eligible to earn the Certificate in Mathematical Finance. Students are also **required to complete the five courses designated for the certificate with B grade or higher**.

Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

### DEPARTMENT/PROGRAM ADMINSTRATOR PORTION:

By signing this form, I acknowledge that the above student has completed his or her first year with a minimum 3.0 GPA and has satisfied all the required prerequisites or equivalent prerequisite courses needed in order to enroll in the courses required for this Mathematical Finance Certificate.

Current Department Signature: \_\_\_\_\_

Print Name: \_\_\_\_\_

Title: \_\_\_\_\_ Phone: \_\_\_\_\_

### MSMF only:

Approved By Mathematical Finance Master's Program: \_\_\_\_\_
